**Certification of Prices for
Priority Mail Express International, Priority Mail International,
First-Class Package International Service &
Commercial ePacket Contract 7**

I, Nan K. McKenzie, Manager, Pricing Innovation, Finance Department, United States Postal Service, am familiar with the prices and terms for Priority Mail Express International, Priority Mail International, First-Class Package International Service Contract & Commercial ePacket Contract 7. The prices and terms contained in this contract were established by the Decision of the Governors of the United States Postal Service on the Establishment of Prices and Classifications for Domestic Competitive Agreements, Outbound International Competitive Agreements, Inbound International Competitive Agreements, and Other Non-Published Competitive Rates, adopted February 7, 2019 (Governors' Decision No. 19-1).

I hereby certify, based on the financial analysis provided herewith, that the prices are in compliance with 39 U.S.C § 3633 (a)(1), (2), and (3). They are expected to cover attributable costs. There should therefore be no subsidization of competitive products by market dominant products. This contract should not impair the ability of competitive products on the whole to cover an appropriate share of institutional costs.
